### Pharmacists, Check Out the NCPDP Webinar Replay and Learn about ICD-10 and D.0

The Centers for Medicare & Medicaid Services (CMS) presented, "The Transition to D.0 and ICD-10: An Overview," during a National Council for Prescription Drug Programs ([NCPDP](#)) webinar on July 28, 2011, to help explain how the transitions to D.0 and ICD-10 will affect the health care industry, particularly pharmacists.

The presentation is now available for replay and includes helpful information about:

- Why the transitions to ICD-10 and D.0 are taking place and what is changing
- What the compliance deadlines are for ICD-10 and D.0
- What the steps are to prepare for the transitions to ICD-10 and D.0
- What resources are available from CMS to help you better understand the transitions to ICD-10 and D.0

View the [presentation](#) and find out how you can start preparing for the transitions to ICD-10 and D.0 now.
