

The **Medicare Parts C and D Fraud, Waste, and Abuse Training and Medicare Parts C and D General Compliance Training** has been revised.

The **NEW** (1) **Medicare Parts C and D General Compliance Training** and (2) **Combating Medicare Parts C and D Fraud, Waste and Abuse** training courses, listed below, provide separate content for compliance and FWA, and provide web-based versions that are printable. The training content is generic since various entities (e.g., health plans, labs, hospitals, providers, etc.) complete the training. A certificate of completion (which includes contact hours) is generated upon passing a short test with a score of 70% or higher at the end of each training module.

- (1) FDRs can complete the web-based general compliance and/or FWA training modules located on the CMS MLN. Once an individual completes the training, the system will generate a certificate of completion. The MLN certificate of completion must be accepted by Sponsors.
- (2) Sponsors and FDRs can incorporate the content of the CMS standardized training modules from the CMS website into their organizations' existing compliance training materials/systems.
- (3) Sponsors and FDRs can incorporate the content of the CMS training modules into written documents for providers (e.g. Provider Guides, Participation Manuals, Business Associate Agreements, etc.).

At any point in the Web-Based Training (WBT) courses, you may print the current page, section, or the entire course by clicking the "Print" button at the top of the page to incorporate the content into existing training materials/systems and written documents.
