**Medicare Secondary Payer Recovery Portal (MSPRP)
Electronic Payment Enhancement Webinar
Wednesday, March 13, 2019**

CMS will be hosting a webinar to present an overview of the new electronic payment functionality that will be added to the MSPRP in April 2019. For this webinar, the format will be opening remarks by CMS, followed by a presentation of the new electronic payment functionality.

If you have any questions regarding the current functionality of the MSPRP or recommendations regarding enhancements that you would like to see in the future, please submit them to COBR-NGHP-Comments@cms.hhs.gov prior to the webinar.

Date: Wednesday, March 13, 2019
Time: 1:00 PM ET

Webinar URL: <https://engage.vevent.com/rt/cms2~03132019>

Or

Conference Dial In: 877-251-0301
Conference Passcode: 7556747

For your convenience both the audio and visual portions of this webinar will be available via the webinar link above. By utilizing this link, you will be able to access the webinar without having to dial in early or wait to speak to an operator. We recommend using this option for ease of access.

If you choose to dial in, please do so at least 15 minutes prior to the start of the presentation.
