The BCRC will provide the plan administrator/insurer with written confirmation via letter after completion of its review and, if applicable, processing of the request. Approved requests will include a listing of the individual(s) for whom the SEE, with respect to a specific plan and a specific employer, has been approved.

It is important that the plan/insurer notify each Medicare beneficiary in writing of the date Medicare will become the primary payer and when the employer GHP will pay secondary to Medicare. If the beneficiary is not enrolled in Medicare Part B and wishes to do so, the plan/insurer should advise the beneficiary to contact his/her local Social Security district office as soon as possible, and supply the affected beneficiary with the information required to apply for Part B benefits.
