### **Group Health Plan (GHP) Reporting for Substance Use-Disorder Prevention that Promotes Opioid Recovery and Treatment (SUPPORT) for Patients and Communities Act Webinar**

**Thursday, June 20, 2019**

CMS will be hosting a second webinar to further discuss the impact of the SUPPORT for Patients and Communities Act on Medicare, Medicaid, and SCHIP Extension Act (MMSEA) Section 111 reporting for GHP Responsible Reporting Entities (RREs). Under Section 4002 of the SUPPORT for Patients and Communities Act, GHP RREs will be required to report primary prescription drug coverage information effective January 2020. The intention of this webinar is to further clarify who should report as an RRE and provide additional information on how to appropriately submit primary prescription drug coverage information.

The webinar format will be opening remarks by CMS followed by a presentation by the Benefits Coordination & Recovery Center. To submit questions regarding Section 111 Reporting and the SUPPORT for Patients and Communities Act, please utilize the Section 111 Resource Mailbox [PL110-173SEC111-comments@cms.hhs.gov](mailto:PL110-173SEC111-comments@cms.hhs.gov).
