1 Overview

The Health Plan Management System (HPMS) Fiscal Soundness module supports the Centers for Medicare and Medicaid Services' (CMS) ability to collect, store, and review audited annual financial information submitted by Medicare Advantage Organizations (MAOs), Prescription Drug Plans, 1876 Cost Plans, Medicare-Medicaid Plans (MMPs), and Programs of All Inclusive Care for the Elderly (PACE). The Fiscal Soundness module supports tracking and monitoring of CMS fiscal soundness review activities. In addition, the module serves as a data repository for all historical and current MA, 1876 Cost Plans, PACE and Part D financial information and review history.

Note: Contract Year "20XX" in screen prints represents the latest CY 2019. Screen prints and test contract numbers contained in this User Guide are not intended to display complete functionality or actual contracts, and are for demonstration purposes only.

1.1 Accessing HPMS

To access the HPMS, Plan users must have a CMS HITS User ID, and must have Internet access. If you have any questions about your connectivity or do not have access to the appropriate contracts, please send your questions to HPMS_Access@cms.hhs.gov.

If you have any questions about the Fiscal Soundness Reporting Requirements contained within, please send your questions to FinancialReview@cms.hhs.gov or your Financial Management Specialist.

1.2 Accessing the Fiscal Soundness Module

1. Logon to HPMS and select "Fiscal Soundness" from the "Monitoring" section of the main menu toolbar.
2. The Fiscal Soundness Start page (**Figure 1**) displays. From this page, you have the option to select navigation links from the Fiscal Soundness Secondary Menu.

Note: The following pages have the ability to be saved as a Favorite within the HPMS site.

- *Submission of Financial Information*
- *Submission of Extension Requests*
- *Reports*

1.3 Who's Required to Submit?

The contract types listed below are required to submit their financial information. These include active contracts that have not been terminated and have a NAIC number assigned to the profile (contracts must indicate if no NAIC number is assigned) that belong to the following plan types:

- HMO
- HMOPOS
- Local PPO
- Fallback
- PSO (State License)
- MSA
- RFB PFFS
- PFFS
- 1876 Cost
- National PACE
- Medicare Prescription Drug Plan
- Employer/Union Only Direct Contract PDP
- Regional PPO

- Employer/Union Only Direct Contract PFFS
- Employer/Union Only Direct Contract LPPO
- RFB HMO
- RFB HMOPOS
- RFB Local
- RFB PSO (State License)
- Financial Alignment HMO
- Financial Alignment HMOPOS
- Financial Alignment PPO

1.4 Submission Types

CMS requires organizations to submit financial information at certain intervals (e.g. Submission Types) throughout each year:

- **Audited Annual** – The audited annual (AA) financial statement covers the closure of the previous fiscal year
- **Reporting Period Ending 3/31** – For quarters ending between 1/1 - 3/31
- **Reporting Period Ending 6/30** – For quarters ending between 4/1 - 6/30
- **Reporting Period Ending 9/30** – For quarters ending between 7/1 - 9/30
- **Reporting Period Ending 12/31** – For quarters ending between 10/1 - 12/31. PACE contracts only.

Note: Each Submission Type has a Period End Date (PED) and a Period Due Date (PDD). For more information on Submission Types, PEDs, and PDDs please see Section 6. Organizations may refer to the CY 2019 Fiscal Soundness Reporting Requirements (FSRR) located in the Documents and Forms section of the Fiscal Soundness Module for fiscal soundness submission deadlines.

1.5 Extensions

When Non-PACE organizations need more time to submit their audited annual or quarterly financial statements, Plan users may submit extension requests. Once extension requests are submitted, CMS will review the request and approve/deny it.

Note:

- *Extension Requests can be submitted for one or multiple groups of contracts*

- *Upon approval, the extension date overrides the original PDD for the Contract Year/Submission Period/Contract(s).*
- *Regular and Perennial Extensions exist. Perennial extensions are permanent extension requests that carry forward to future Contract Years.*
- *The exception to the above statement is when an organization is requesting an extension for a new contract linked to the same NAIC number of an existing contract. A new extension request must be submitted for review and approval.*

1.6 Contract Grouping

Most licensed insurance companies have been issued a National Association of Insurance Commissioners (NAIC) number. CMS requires that ALL organizations enter the NAIC number in HPMS for each contract number as well as each Parent Organization. For those organizations that do not have a NAIC number for the contract and/or Parent Organization, you must indicate such in the Contract Management module. Organizations that have not completed the NAIC data entry in a timely fashion will **not** be able to complete their fiscal soundness submissions.

Organizations can access the NAIC data entry fields by navigating the following path in HPMS:

HPMS Start Page > Contract Management > Basic Contract Management > Select Contract Number > NAIC Data.

Note:

- *Groups are determined based on NAIC numbers.*
 - *If a contract does not have a NAIC number and needs to be grouped with another contract, an alternate NAIC is assigned to the contract.*
- *When contracts are not under the same Parent Organization but have a relationship, they are assigned a Joint Venture NAIC number. For Joint Venture entities, the system validates the grouping based on the Joint Venture NAIC number.*
- *Groups can change over time. When this happens, and the change occurred after a submission (financial or extension request), the page will alert you that the group has changed.*

1.7 Understanding the Review Status

The Review Status indicates the current disposition of the financial submission. A complete status listing is provided below:

- **Not Reviewed** – This status is assigned by the system when an organization submits a fiscal soundness submission for review. This status is assigned by the system only.
- **Pending** – Reviewed, but missing information (e.g. Audited Annual Financial Statement) or unable to review due to receiving out of sequence (e.g. Quarterly submission prior to AA review).
- **Resubmit** – Resubmission has been requested due to incomplete/incorrect data.
- **Meets** – Meets CMS’s fiscal soundness requirements.
- **Meets Based on Parent** – Meets CMS’s fiscal soundness requirements based on the Parent Organization’s financials statements.
- **Does Not Meet** – Does not meet CMS’s fiscal soundness requirements.
- **Reviewed** – Reviewed, but no financial statements are available for the legal entity (e.g. new organization without operations for the Reporting Period End Date).
- **Did Not Resubmit** – Plan did not resubmit as requested within the 10 day window. This status is assigned by the system only.

1.8 Understanding the Extension Status

The Extension Status indicates the current disposition of the financial submission. A complete status listing is provided below:

- **Not Started** – This status is assigned by the system when an organization submits an extension request for review. This status is assigned by the system only.
- **In Review** – CMS began review of the request, but did not assign a final status.
- **Approved** – Approved based on CMS guidelines.
- **Denied** – Denied by CMS.
- **Withdrawn** – Plan or CMS user no longer requires the extension request.

1.9 Email Notifications

The following notification events occur within this module:

- Required to Submit Quarterly Financial Statements
- Resubmit
- Extension Approval
- Extension Denial
- Extension Request Submitted

In addition, the following notification events are triggered on a nightly basis:

- 14 days in advance of any due date
- 3 days after due date

- 21 days after due date
- 100 days after due date

2 Submission of Financial Information

The purpose of the **Submission of Financial Information** function is to submit financials for review. Users have three submission choices:

- **Submit New** – First time submitting for a given contract year/submission type/contract.
- **Update** – Updating an existing submission after submission but before the deadline (PDD).
- **Resubmit** – Updating an existing submission after CMS has requested resubmission.

Note: If there are multiple contracts under the selected contract's NAIC number, the system will auto-populate the contracts from the NAIC group.

- a. **Total Assets** – This total amount is found on the Balance Sheet.
- b. **Total Liabilities** – This total amount is found on the Balance Sheet. For PACE or 1876 Cost Plan contracts, this figure includes Subordinated/Guaranteed Debt.
- c. **Subordinated Debt/Guaranteed Debt (Included in Total Liabilities)** – PACE or 1876 Cost Plan contracts only. Subordinated debt is defined as an unsecured debt whose repayment to its Parent Organization ranks after all other debts have been paid when the subsidiary files for bankruptcy. An example of subordinated debt is when the Parent Organization loans money to the PACE organization or Cost Plan to pay its debts. The PACE organization or Cost Plan only needs to repay the Parent Organization after all of its other liabilities have been satisfied. Guaranteed debt is defined as secured debt in which another entity promises to pay a loan or other debt if the organization that borrowed the money fails to pay. An example of guaranteed debt is when the PACE organization or Cost Plan obtains a loan from a bank and another entity signs on to guarantee payment of all, or a portion of, the loan. In the event of bankruptcy or default, the other entity will make payments on the loan on behalf of the PACE organization or Cost Plan to ensure the debt is satisfied.

Note:

- *When a value of zero is entered, the system will alert the user.*
 - *When entering a numeric value other than zero, users are expected to include a signed Subordinated/Guaranteed Debt Attestation Form zipped with their file upload. The form can be accessed by selecting **Subordinated/Guaranteed Debt Attestation Form** at the bottom of the page or in the secondary menu.*
- d. **Net Income (Loss)** – This is the portion of revenue remaining after all the expenses and taxes have been deducted. This amount is found as a line item on the Revenue and Expense Statement. This amount can also be a negative number. In that case, it's called a Net Loss.
 - e. **Cash Flow from Operations** – This amount is found on the Cash Flow Statement. It is the first sub-totaled figure before accounting for cash flow from investing and financing activities.
 - f. **File** – Upload the applicable financial statement(s).

Note:

- *Accepted file types are .DOC, .DOCX, .PDF and .ZIP.*

- *Filename cannot contain any of the following characters: pound (#), percent (%), semi-colon (;), plus (+), ampersand (&), and double periods (..).*
- *Maximum file size allowed is 10MB.*
- *Uploaded file name length should not exceed 150 characters.*

g. **Subordinated/Guaranteed Debt Attestation** – PACE contracts only. When entering a numeric value other than zero, users are required to indicate that the Subordinated/Guaranteed Debt Attestation form has been included in their submission by selecting the Subordinated/Guaranteed Debt Attestation checkbox.

Note:

- *1876 Cost Plans should contact CMS regarding Subordinated/Guaranteed Debt Attestation.*
