

## Medicare Unit Cost Increases as of April 2012 2011 to 2013

The FFS trends below are the Office of the Actuary's current estimate of Medicare unit cost increases by service category for 2011, 2012 and 2013.

- These trends are based on current law and legislated adjustments; they do not reflect the impact of proposed regulations.
- Legislated adjustments include multifactor productivity and other adjustments required by the ACA.
- In developing bid assumptions certifying actuaries must consider other influences (such as, legislation, selection, and price proxies) that may affect these trends.
- These trends reflect increases (or decreases) in the applicable market basket or fee schedule; they do not include estimates for case-mix or other residual changes.
