Clarification for MLN Matters 3031: Medicare Need for a Specific Line Item Date of Service (LIDOS) for Each Revenue Code on All Outpatient and Inpatient Part B Claims

Key Words

CR3337, MM3337, R199CP, LIDOS, Outpatient, Inpatient, Claim

Provider Types Affected

All providers submitting outpatient and inpatient Part B claims to Medicare

Key Points

- The effective date of the instruction is October 1, 2004.
- The implementation date is October 4, 2004.
- A range of dates in the LIDOS field on outpatient and inpatient Part B claims will not be accepted on or after October 1, 2004.
- A single date in the LIDOS field of these claims is required to ensure accurate payment.
- Effective October 1, 2004, Medicare will reject Part B claims that use a range of dates in the LIDOS field on these claims.
- Change Request (CR) 3031 (Transmittal 107) requires Medicare claims processing systems to make certain changes to implement the Health Insurance Portability and Accountability Act X12N 837 institutional 837 transaction.
- These changes are needed to resolve issues with the Coordination of Benefits transaction with third-party payers.
- Effective October 1, 2004, all claims submitted on bill types 12X, 13X, 14X, 22X, 23X, 24X, 32X, 34X, 71X, 72X, 73X, 74X, 75X, 76X, 81X, 82X, 83X, and 85X must contain a single date in the LIDOS field or the claim will be rejected.
