Note: N/A = Not Available

* ACO did not successfully report in the first reporting period (2012) but did successfully report in their second reporting period (2013).

[^]Measures marked with a carat (^) are measures where a lower performance rate is indicative of better quality.

¹ Successfully Reported Quality: ACOs are considered to have successfully reported quality if they completely reported in both 2012 and 2013. ACOs who did not successfully report in 2013 will not have performance rates for GPRO Web Interface measures displayed.

² ACO-11 performance rate unavailable: No providers eligible for this measure due to measure's inclusion/exclusion criteria.

³ Performance rate unavailable: No beneficiaries eligible for this measure due to the measure's inclusion/exclusion criteria.

⁴ Performance rate unavailable: ACO did not satisfactorily report in 2013.
