¹ (Gross) Generated savings: Total savings (first to last dollar) for ACOs whose savings equaled or exceeded their minimum savings rates (variable based on ACO size under Track 1 and flat 2% under Track 2). This amount does not account for the application of the ACO's final sharing rate based on quality performance, reduction due to sequestration or repayment of advance payments.

² (Gross) Generated losses: Total losses (first to last dollar) for Track 2 ACOs whose losses equaled or exceeded their minimum loss rate (flat 2%). This amount does not account for the application of the ACO's final sharing rate based on quality performance.

³ Total earned shared savings: the ACO's share of savings for ACOs whose savings equaled or exceeded their minimum savings rates, and who were eligible for a performance payment because they met the program's quality performance standard. This amount accounts for the application of the ACO's final sharing rate based on quality performance (50% under Track 1 and 60% under Track 2 for PY1), as well as the reduction in performance payment due to sequestration. This amount does not account for repayment of advance payments.

⁴ Total earned shared losses: the ACO's share of losses for Track 2 ACOs whose losses equaled or exceeded their minimum loss rate (flat 2%). This amount accounts for the application of the ACO's final loss sharing rate (which does not exceed 60%) based on quality performance.
