

New Medicare cards are coming! Do you have Medicare or care for someone with Medicare?

Medicare is mailing new cards with new Medicare numbers to all people with Medicare.

Instead of your Social Security Number, the new card will have a new number that's unique to you. You don't have to do anything to get your new card—Medicare will automatically mail it to you, so be sure your address is current with the Social Security Administration (SSA). Once you get your new Medicare card, destroy your old Medicare card and start using the new one right away. Mailing all of the cards will take time, so you might get your card at a different time than your spouse, friend, or neighbor. **And, remember, no one from Medicare will call or contact you uninvited to ask for your personal information.** To learn more, visit
