

The Centers for Medicare & Medicaid Services would like to thank you for disclosing the Creditable Coverage Disclosure Notices

https://www.cms.gov/CreditableCoverage/08_CCafterJanuary1.asp#TopOfPage as well as submitting the Online Disclosure to CMS Form

https://www.cms.gov/CreditableCoverage/45_CCDisclosureForm.asp.

This is a friendly reminder about the two annual disclosure requirements concerning Part D creditable coverage:

- The first disclosure requirement is to provide a written disclosure notice to all covered Medicare eligible individuals enrolled in your prescription drug plan annually prior to November 15th each year and at various times as stated in the regulation at 45 CFR §423.56(f), such as when a new Medicare eligible individual joins the plan, prior to an individual's initial Part D enrollment period and upon request. For more information go to https://www.cms.gov/CreditableCoverage/08_CCafterJanuary1.asp#TopOfPage.
- The second disclosure requirement is to complete the Online Disclosure to CMS form on an annual basis. The Disclosure to CMS Form is due no later than 60 days after the beginning date of your plan year (contract year, renewal year, etc.) and upon change of your plan's creditable coverage status. For more information go to https://www.cms.hhs.gov/CreditableCoverage/45_CCDisclosureForm.asp.

Thank you
