

Introduction to the FBDE RDS Notice

Who gets this notice?

Medicare mails this notice to people with Medicare who were eligible for Medicaid in all or part of the current year, **and** have creditable retiree prescription drug coverage through an employer or union that's claiming them for the Retiree Drug Subsidy (RDS).

Although people in this group are full-benefit dual eligibles and qualify for the full amount of Extra Help, Medicare won't automatically enroll them in a Medicare drug plan, because they already have prescription drug coverage that's expected to provide, on average, at least as much as coverage as Medicare's standard prescription drug coverage.

What's the purpose of the notice?

This notice informs people with Medicare that because they qualify for the full amount of Extra Help, they can join a Medicare prescription drug plan at no cost to them, but warns them that joining a Medicare drug plan may have consequences for their current retiree prescription drug coverage and/or any medical coverage they or their dependents get under the employer or union plan.

The notice is one page and includes a list of regional plans that have premiums at or below the regional low-income premium subsidy amount on the back.

How often does Medicare mail the notice?

This notice is mailed on a daily basis.

What should people do next?

People who get this notice should contact their employer or union plan to learn how joining a Medicare drug plan may affect their current coverage **before** they make any decisions. As long as they qualify for Medicare and Medicaid, they can join a Medicare drug plan at any time.

If people with Medicare want more information about Medicare prescription drug coverage, they can:

- Visit [Medicare.gov](https://www.Medicare.gov) and get personalized drug plan information.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
- Call their State Health Insurance Assistance Programs (SHIP) for free, personalized health insurance counseling. This number is included in the notice, but people can also see the "Medicare & You" handbook or call 1-800-MEDICARE for the phone number for their states.

People can reference CMS Product No. 11334 if they call Medicare or their SHIP with questions.

You have choices to make about your drug coverage

You're getting this notice because our records show you have Medicare, you were eligible for Medicaid for all or part of this year, **and** you already have retiree prescription drug coverage through a qualifying employer or union plan. Since you have both Medicare and Medicaid, Medicare can help pay for your prescription drugs if you join a Medicare drug plan.

Important: Contact your current plan before you decide

If you want Medicare prescription drug coverage, you need to act. However, **if you join a Medicare drug plan, you and your dependents may permanently lose your retiree drug coverage**, and possibly other medical coverage, under your employer or union plan. So, you need to consider carefully whether you want to join a Medicare drug plan.

Contact your employer or union plan to learn how joining a Medicare drug plan may affect your current coverage.

What you'll pay with a Medicare drug plan

Here's what you'll pay in 2017 if you join one of the Medicare drug plans listed on the back of this notice:

- \$0 for your monthly prescription drug plan premium
- \$0 for your yearly prescription drug plan deductible
- Up to \$3.30 for each generic drug and up to \$8.25 for each brand-name drug covered by the plan

As long as you qualify for both Medicare and Medicaid, you can join a Medicare drug plan at any time without penalty.

What to do next

After you contact your employer or union plan to see how joining a Medicare drug plan will affect your current coverage, you may want to compare your current plan with the list of Medicare drug plans on the back of this notice. Get personalized help comparing and joining a plan at your local Office on Aging, your State Health Insurance Assistance Program at <SHIP phone number>, or 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

CMS does not discriminate in its programs and activities. To request this notice in an alternative format, please call: 1-800-Medicare or email: AltFormatRequest@cms.hhs.gov.
