

Introduction to the MA Reassignment Notice

What's the purpose of this notice?

This notice informs people who qualify for Extra Help and whose Medicare Advantage Plan is leaving the Medicare Program that they'll be enrolled in a Medicare Prescription Drug Plan if they don't join a new plan on their own by December 31, 2015.

Medicare will enroll these people in a Medicare drug plan so that even if they do nothing, they'll still have drug coverage starting January 1, 2016.

The notice is three pages on blue paper, including a list of plans for each region that have premiums at or below the low-income premium subsidy amount.

Who gets this notice?

This notice goes to people who qualify for Extra Help and are currently enrolled in a Medicare Advantage Plan that's leaving the Medicare Program on December 31, 2015.

When do people get this notice?

The notice will be mailed in late October.

IMPORTANT: Your Medicare coverage is changing

You should have gotten a letter from <Terminating Organization Name> letting you know that <Terminating Plan Name> (<old contract>/<old PBP>) won't operate next year. **This means your coverage with <Terminating Organization Name> will end on December 31, 2015.**

Medicare will enroll you in a Medicare drug plan

If you don't join a new Medicare health or drug plan by December 31, 2015, Original Medicare will cover your health care services, and Medicare will enroll you in <New Organization Name>'s <New Plan Name> (<new contract>/<new PBP>) starting January 1, 2016, to make sure you have drug coverage.

Your new options for 2016 health and drug coverage are explained below. Carefully consider these options and take action before December 31, 2015. Remember, you'll still have Medicare coverage no matter what you decide.

You have 3 options for Medicare coverage

Option 1: You can join another Medicare Advantage or other Medicare health plan, including a plan that offers drug coverage. Call plans to get more information about their rules and benefits, and join a plan that meets your needs. Joining a plan with drug coverage will automatically disenroll you from <New Plan Name>.

Option 2: If you do nothing, you'll have Original Medicare, and Medicare will enroll you in <New Plan Name> to make sure you get Extra Help paying for Medicare drug coverage. Here's what you'll pay with this Medicare Prescription Drug Plan:

- <subsidy % or \$0> of the monthly drug plan premium
- <\$0 or up to \$74> for your yearly drug plan deductible
- <insert LIS copayment amounts or % of the cost of each prescription> for each prescription drug covered by the plan filled at one of the plan's pharmacies

In December, Medicare will send you another blue letter letting you know which of the drugs you take will be covered in this plan.

Option 3: **You can choose and join a Medicare Prescription Drug Plan on your own.**

This means you would have the drug plan you choose and Original Medicare for your other health care services. See the list of Medicare drug plans included with this notice – you can join any of the plans in this list and pay little or no premium. Joining a Medicare drug plan will automatically disenroll you from <New Plan Name>.

You qualify for Extra Help, so you can join, switch, or drop a Medicare drug plan at any time. You may also want to buy a Medicare Supplemental Insurance (Medigap) policy to help pay health care costs that Original Medicare doesn't cover. Because your current plan is leaving Medicare, you have a special right to buy a Medigap policy. You'll have this special right for 63 days after your current plan coverage ends.

What to do next

Consider your options carefully. If you do nothing, Medicare will enroll you in <New Plan Name>. If you want to join a different Medicare health or drug plan, it's a good idea to do so as early as possible before December 31, 2015.

For more information about <New Plan Name>, visit <Plan Website>, or call them at <New Plan Phone>. In December, Medicare will send you another blue letter letting you know which of the drugs you take will be covered in this plan.

This plan serves <States>. If this isn't where you live, call <New Plan Name> at <New Plan Phone> to make sure it serves where you live now. If the plan doesn't serve your area, call 1-800-MEDICARE (1-800-633-4227) to choose and join a plan that serves the state where you live. TTY users should call 1-877-486-2048.
