

# Introduction to the Reassignment Notice: Plan Premium Increase Version

## What Is the Purpose of This Notice?

This notice informs people who qualify for the full Extra Help and whose Medicare Prescription Drug Plan premium is increasing that they'll be reassigned to a new plan if they don't tell their current plan they want to stay or join a new plan on their own by December 31, 2011.

The notice includes two pages. The first page is a notice printed on the front and back of blue paper. The second page includes a list of plans for each region that have premiums at or below the low-income premium subsidy amount.

## Who Gets This Notice?

Medicare will reassign people who qualify for the full Extra Help whose premium in 2012 would be above the regional low-income premium subsidy amount, and who are still enrolled in the Medicare Prescription Drug Plan Medicare enrolled them in.

## When Do People Get This Notice?

The notice will be mailed by late October.

## What Should People Do Next?

People should consider their options carefully. People who want more information about Medicare prescription drug coverage can do the following:

- Visit [www.medicare.gov](http://www.medicare.gov) and get personalized drug plan information.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

## Medicare Is Moving You to a New Drug Plan for 2012

You're getting this notice because your premium costs in <Old Organization Marketing Name>'s <Old Plan Name> will increase beginning January 1, 2012. Medicare is moving you to a new Medicare drug plan to make sure you pay \$0 for your monthly premium. You have three options:

**Option 1: If you do nothing, Medicare will enroll you in <New Organization's Name>'s <New Name of plan>.** Your coverage starts on January 1, 2012. With this new Medicare drug plan, you'll pay:

- \$0 of the monthly drug plan premium
- <\$0 or up to \$65> of the yearly drug plan deductible
- <insert LIS copayment amounts > for each prescription covered by the plan filled at one of the plan's participating pharmacies

Call <New Plan Name> at <New Plan phone> for more information about this Medicare drug plan, or visit <Plan website>. In December, Medicare will send you another blue letter letting you know which of the drugs you take will be covered in this plan.

This plan serves <states>. If this isn't where you live, call <New Plan Name> to make sure it serves where you live now. If it doesn't, call 1-800-MEDICARE (1-800-633-4227) to choose and join a plan that serves the state where you live. TTY users should call 1-877-486-2048.

**Option 2: You can stay in your current plan, but you must call your plan to let them know.** If you stay in <Old Organization Marketing Name>'s <Old Plan name >, you'll pay <cost> each month for your premium in 2012. If you want to stay in this plan, call them at <Old plan telephone number> before December 31, 2011, and tell them you want to stay a member. **If you choose to stay in your current plan, don't send any money now. Your plan will contact you about your payments. You'll send your payment to the plan, not Medicare.**

If you don't tell your plan you want to stay, Medicare will enroll you in <New Plan Name>.

Besides your premium cost, here are other things to consider when deciding whether to keep your current plan:

- Whether your plan will still cover your current prescription drugs next year
- Whether your plan will still include the pharmacies you use
- Whether you're satisfied with your current plan's service and quality

### **Option 3: You qualify for Extra Help, so you can join a different Medicare drug plan anytime.**

If you don't want Medicare to enroll you in a plan, and you don't want to stay with your current plan, you should switch to a new Medicare drug plan by December 31, 2011. A different plan may cover more of your drugs.

To switch to a different Medicare drug plan, see the list of plans included with this notice. You can join any plan in this list and pay \$0 premium and <insert LIS copayment amounts > for each prescription.

If you join a new plan, it's a good idea to do it as early as possible before December 31, 2011. Enrolling early in the month gives your new Medicare drug plan time to mail your membership materials before your new coverage becomes effective. This way, even if you go to the pharmacy on January 1, you can get your prescriptions filled without any problems.

Since you qualify for Extra Help, you can switch Medicare drug plans anytime. Your new coverage would start the next month.
