Your Medicare Prescription Drug Plan Is Changing

A few weeks ago, you got a yellow or green notice from Medicare letting you know that Aetna Medicare Rx Essentials would provide your drug coverage. Since then, Aetna got a warning from the government for not following Medicare's rules. To make sure you're in a plan that meets Medicare's quality standards, **we're taking you out of Aetna's plan and enrolling you in a new Medicare drug plan.**

Medicare Is Enrolling You In a New Drug Plan

Medicare is enrolling you in <New Organization Name>'s <New Plan Name>. Your coverage begins on June 1, 2010. This way you continue to get help paying for your prescriptions in a plan that meets Medicare's standards.

With this new Medicare drug plan, you pay the following:

- <subsidy % or \$0> of the monthly prescription drug plan premium
- <\$0 or up to \$63> of the yearly prescription drug plan deductible
- <insert LIS copayment amounts or % of the cost of each prescription> for each prescription covered by the plan filled at one of the plan's participating pharmacies

What to Do Next

You don't need to do anything for Medicare to enroll you in this plan. But, you can choose and join a different plan at any time.

For more information about <New Plan Name>, call <New Plan phone> and tell the plan you got this blue notice from Medicare. Ask if your prescriptions are covered, about what drug coverage rules may affect your prescriptions (like prior authorization, which means the plan won't cover a specific drug unless the plan approves it first), and what pharmacies you can use. You can also visit <Plan website> for more information.

This plan serves <states>. If this isn't where you live, please call <New Plan Name> at <New Plan phone> to make sure it serves where you live now. If it doesn't, call 1-800-MEDICARE (1-800-633-4227) to choose and join a plan that serves the state where you live. TTY users should call 1-877-486-2048.

You Can Switch Plans at Any Time

As long as you qualify for Extra Help, you can join, switch, or drop a Medicare drug plan at any time. Your new coverage would start the next month.

If You Want to Join a Different Medicare Drug Plan

If you want to join a different Medicare drug plan, please see the list of plans included with this notice. Compare plans and join one that meets your needs. You should find out which plans cover the prescriptions you take and include the pharmacies you use. For help comparing plans and joining a plan that works for you, visit www.medicare.gov or call 1-800-MEDICARE (1-800-633-4227) or your State Health Insurance Assistance Program at <SHIP phone number>. TTY users should call 1-877-486-2048.

If you want to join a new Medicare drug plan, call the new plan to find out how to join. Joining a new plan will automatically disenroll you from your current plan.
