Notes

* There are a total of 34 PDP regions, not including the U.S. Territories. One organization offers Low Income Subsidy (LIS) plans nationally: Aetna, Inc.

Wellpoint, which was national in 2014, is no longer offered nationally in 2015 because it opted to reduce its individual market service area for 2015.

^ One Express Scripts contract, S0064, is under an enrollment sanction; therefore S0064 is not eligible to receive autoenrollees or otherwise enroll new members. Express Scripts plans would be eligible for autoenrollment in an additional 19 regions if S0064 were not under sanction.
