

**Creative Methods, Materials and Models for Training Trainers in Alzheimer's Education
(1998)**

Creative Methods, Materials and Models for Training Trainers in Alzheimer's Education is a collection of 35 note slides presented by Glantz/Richman Rehabilitation Associates Ltd. The notes were part of an information session at the American Society on Aging's (ASA) 44th Annual Meeting on March 28, 1998.

The notes outline topics of discussion in the information session. The session was presented for leaders of dementia units and general staff of direct care facilities. Thirteen modules relating to dementia care were discussed and topics included Alzheimer's disease and related disorders, daily living, problem behaviors, and late stage dementia care.
