RIGHT TO COPY, REPRINT, AND USE OASIS

The Outcome and ASsessment Information Set (OASIS) is the intellectual property of the Center for Health Services and Policy Research, Denver, Colorado, and may not be copyrighted by any other party. It is our intent to permit the free use of OASIS by home care providers and related organizations, businesses, and individuals, to be incorporated into patient or client assessment forms or software. To this end we grant all such organizations or individuals the nonexclusive right to copy or reprint the contents of the OASIS and to incorporate OASIS items into printed forms, software, or other products. No royalty or use fee is required, but acknowledgement of authorship is expected¹.
