Asking Questions

Quick Profile Setup

1. To begin, click the user avatar icon in the top-right corner of the web app.
2. Please enter your full name, organization, and email address.

How to Ask Questions

Once you have completed your profile, you will be able to ask questions via the Questions tab. We will address questions during the afternoon Q&A session, as time allows. If we are unable to answer a question during the session, answers will be posted later with the training materials.

Upvoting Questions

Submitted questions are generally visible to all participants. If there is a question you would like to see answered, click the “like” button next to it.

This will help us prioritize questions, as we may not be able to address all questions during the event.
