

TECHNICAL EXPERT PANEL (TEP) COMPOSITION (MEMBERSHIP) LIST

Project Title: 2019 Merit-based Incentive Payment System (MIPS) Improvement Activities (IA)
Technical Expert Panel (TEP)

Date:
June 26, 2019

Project Overview:

The Centers for Medicare & Medicaid Services (CMS) has contracted with General Dynamics Information Technology (GDIT), through the Practice Improvement and Measures Management Support (PIMMS) – HHSM-500-2013-13008I, HHSM-500-T0001, to convene a technical expert panel (TEP) around the effectiveness and accuracy of the improvement activities (IAs) included in Year 3 of the Quality Payment Program under the Merit-based Incentive Payment System's (MIPS) Improvement Activities performance category. Comagine Health (formerly HealthInsight) is the sub-contractor for this aspect of the project.

As part of its improvement activity development process, CMS asks activity developers to convene groups of stakeholders and experts who contribute direction and thoughtful input to the activity developer to facilitate improvement activity development and maintenance. The following individuals were selected and have agreed to serve as the Technical Expert Panel for this project.
