

TECHNICAL EXPERT PANEL COMPOSITION (MEMBERSHIP) LIST

Project Title: Clinical and Anatomic Pathology Measure Development

Dates:

May 2019 – June 2020

Project Overview:

The Centers for Medicare & Medicaid Services (CMS) has provided funding to the American Society for Clinical Pathology to develop a set of pathology-related quality measures that will be incorporated into the Quality Payment Program. The cooperative agreement name is Medicare Access and CHIP Reauthorization Act of 2015 (MACRA): Measure Development for the Quality Payment Program. The cooperative agreement number is CMS-1V1-18-002. As part of its measure development process, the American Society for Clinical Pathology convenes groups of stakeholders and experts who contribute direction and thoughtful input to the measure developer during measure development and maintenance.

These individuals were selected and have agreed to serve as the TEP for this project.
