

TECHNICAL EXPERT PANEL (TEP) COMPOSITION (MEMBERSHIP) LIST

Project Title: 2018 Merit-based Incentive Payment System (MIPS) Improvement Activities (IA)
Technical Expert Panel (TEP)

Date:
December 5, 2018

Project Overview:

The Centers for Medicare & Medicaid Services (CMS) has contracted with General Dynamics Information Technology (GDIT), through the Practice Improvement and Measures Management Support (PIMMS) – HHSM-500-2013-13008I, HHSM-500-T0001, to convene a technical expert panel (TEP) around the effectiveness and accuracy of the improvement activities (IAs) included in Year 2 of the Quality Payment Program under the Merit-based Incentive Payment System’s (MIPS) Improvement Activities performance category. HealthInsight is the sub-contractor for this aspect of the project.

As part of its improvement activity development process, CMS is convening a group of stakeholders and experts who contribute direction and thoughtful input to the improvement activity developers during improvement activity development and maintenance. The following individuals were selected and have agreed to serve as the Technical Expert Panel for this project.
