**Dates:**

- ◆ November 2014 (Orientation Meeting)
- ◆ January 2015 (1<sup>st</sup> Full TEP Meeting)
- ◆ Following Meetings (TBD) – *estimated 3 to 4 meetings per year*

**Project Overview:**

The Centers for Medicare & Medicaid Services (CMS) has contracted with Mathematica Policy Research and its partners to develop, electronically specify, and maintain clinical quality measures for EPs to use in certified electronic health record (EHR) systems for CMS quality programs. The contract name is *Electronic Clinical Quality Measure (eCQM) Development and Maintenance for Eligible Professionals (EPs)*. The contract number is *HHS-500-2013-13011I*. As part of its measure development process, CMS asks contractors to convene groups of stakeholders and experts who contribute direction and thoughtful input to the measure contractor during measure development and maintenance. The following individuals were selected and have agreed to serve as the Technical Expert Panel for this project.
