

Qualified Maintenance of Certification Program Incentive Entities for 2012

CMS is pleased to announce that the following entities have become “qualified” for purposes of the 2012 Physician Quality Reporting System Maintenance of Certification Program Incentive. These entities have participated in a vetting process to ensure that the Maintenance of Certification Program(s) they represent meet the requirements for participation in this incentive. While the listed entities have been qualified, CMS cannot guarantee that any or all of the listed entities will be successful in providing the required information on behalf of their physicians.

Physicians who wish to participate in the 2012 Maintenance of Certification Program Incentive may contact the entities listed below for additional details on participation options.
