

Confirm Information in Provider Enrollment, Chain, and Ownership System (PECOS)

8/25/15

Please ensure all information is correctly reflected within your PECOS account. Information such as National Provider Identifier (NPI), Taxpayer Identification Number (TIN), organization name and address may be used by CMS for upcoming communication.

You can review and make a change to your Medicare enrollment information by accessing <https://pecos.cms.hhs.gov/pecos/login.do#headingLv1>. Note: You may need to copy and paste this url into your web browser if clicking on it generates an error message.

Please see <https://pecos.cms.hhs.gov/pecos/help-main/contact.jsp> for External User Services (EUS) contact information and live support for PECOS account issues and system errors. All other system questions should be directed to a Medicare Administrative Contractor (MAC) or CMS.
