### Activity Description:

This presentation will identify the classifications for pressure ulcers, practices for prevention and treatment, and an emerging at risk population.

### Target Audience:

Physicians and other Health Care Professionals

### Learning Objective:

By the end of this presentation, learners will be able to identify the classifications for pressure ulcers, practices for prevention and treatment, and an emerging at risk population.

### Participation:

Register for the webinar, participate in the webinar and access and complete the assessment and evaluation.

### Credits Available:

#### Accreditation Council for Continuing Medical Education (ACCME)

The Centers for Medicare & Medicaid Services designates this **enduring activity** for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Credit for this course expires October 20, 2016.

#### IACET International Association for Continuing Education and Training (IACET)

The Centers for Medicare & Medicaid Services (CMS) is authorized by IACET to offer .1 CEU for this program. CEU will be awarded to participants who meet all criteria for successful completion of this educational activity. CEU credit for this course expires October 20, 2016.

### Speaker Bios & Disclosures:

**Aamir Siddiqui, MD**, developer/presenter, is the Division Head of Plastic Surgery at Henry Ford Hospital, a 800 bed Level I tertiary care center in Detroit Michigan. He is board certified in Plastic Surgery and Hand Surgery. He is assistant professor of Surgery at Wayne State School of Medicine. In addition to industry sponsored and non-sponsored research, he was awarded a \$3.7 million award from the CMS Innovation Center. The grant was to study the role of mobility and prevention of hospital-based de-conditioning on facility acquired pressure ulcers. He serves on the board of the National Pressure Ulcer Advisory Panel. This group has been involved in developing evidence-based national and international guidelines for the prevention and treatment of pressure ulcers. Dr. Aamir Siddiqui has nothing to disclose.

This activity was developed without commercial support.

## Centers for Medicare & Medicaid Services Continuing Education (CMSCE) Accreditation Statements Accreditation Council for Continuing Medical Education (ACCME)

The Centers for Medicare & Medicaid Services is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Centers for Medicare & Medicaid Services has been surveyed by the Accreditation Council for Continuing Medical Education (ACCME) and awarded accreditation with commendation for 6 years as a provider of continuing medical education for physicians.

ACCME accreditation seeks to assure the medical community and the public that Centers for Medicare & Medicaid Services provides physicians with relevant, effective, practice-based continuing medical education that supports US health care quality improvement.

The ACCME employs a rigorous, multilevel process for evaluating institutions' continuing medical education programs according to the high accreditation standards adopted by all seven ACCME member organizations. These organizations of medicine in the US are the American Board of Medical Specialties, the American Hospital Association, the American Medical Association, the Association for Hospital Medical Education, the Association of American Medical Colleges, the Council of Medical Specialty Societies, and the Federation of State Medical Boards of the US, Inc.

## International Association for Continuing Education and Training (IACET)

The Centers for Medicare & Medicaid Services is accredited by the International Association for Continuing Education and Training (IACET). The Centers for Medicare & Medicaid Services complies with the ANSI/IACET Standard, which is recognized internationally as a standard of excellence in instructional practices. As a result of this accreditation, the Centers for Medicare & Medicaid Services is authorized to issue the IACET CEU.
