

## **Members Named for the Hospital Value-Based Purchasing (HVBP) Program Monitoring and Evaluation (M&E) Strategies Technical Expert Panel (TEP)**

Fifteen healthcare professionals from across the country have been nominated to participate in the HVBP M&E Panel. The Panel will serve in an advisory role to the Centers for Medicare & Medicaid Services (CMS) to provide recommendation and feedback on the proposed program evaluation and statistical methods and strategies, identify contemporaneous issues related to the Program, advise CMS on areas for additional in-depth studies and to assist in interpreting the findings relative to the stakeholder environment.

For a list of the panel members selected, refer to the Download section:
