

2014 Group Practice Measures Available for Preview

If your group practice reported any of the following 2014 PQRS measures via Web Interface, your group's performance score will be publicly reported on Physician Compare in late 2015. Starting on October 5, 2015,¹ group practices will have a 30-day preview period to view their data as it will appear on Physician Compare. The secured measure preview will be facilitated through the PQRS portal—Provider Quality Information Portal (PQIP). For more information on previewing your group's quality measures, visit the [Physician Compare Initiative page](#).

WI Number	Measure Title

Please note, the 2014 EHR data will not be publicly reported on Physician Compare because CMS was unable to determine the accuracy of these data. In addition, the 2014 registry data will not be publicly reported on Physician Compare because these data do not meet the public reporting standards. For more information, visit the [Physician Compare Initiative page](#).
