

Guide to Physician Compare Measure Preview

Overview

In late 2015, a sub-set of the [individual](#) and [group level](#) 2014 Physician Quality Reporting System (PQRS) measures will be publicly reported on [Physician Compare](#). For more information on how these measures were selected, visit the [Physician Compare Initiative](#) page.

The Physician Compare 30-day preview period begins on **October 5, 2015**. During this time, individual eligible professionals (EPs) and group practice representatives can preview their 2014 quality measure data as these data will appear on Physician Compare. Quality measure data preview is only available during the preview period, which ends **November 6, 2015**. The secured preview period is facilitated via the **Provider Quality Information Portal (PQIP)**, which is part of the PQRS Portal.

We encourage all individual EPs and group practice representatives to preview their data as early in the preview period as possible.

If you have any questions about Physician Compare, public reporting, or the 2014 quality measure preview period, please contact us at PhysicianCompare@Westat.com. For additional assistance with PQIP, contact the QualityNet Help Desk at 866-288-8912.

How to Preview Your Measure Data

The following is a step-by-step guide to accessing PQIP and previewing your 2014 quality measure data:

1. Determine Your User Role

You must have the correct user role to access your 2014 quality measure data. Refer to the following role descriptions to determine your correct role:

- **Individual Practitioner**

The Individual Practitioner role applies to any EP who submitted 2014 PQRS quality measure data as an individual.

- **PQIP Group Representative**

The PQIP Group Representative role applies to any individual who reviews the 2014 PQRS quality measure and patient experience data on behalf of a group practice.

2. Establish an Enterprise Identity Management (EIDM) Account

In order to access PQIP, you need an active Enterprise Identity Management (EIDM) account with the appropriate user role.

To set up a new EIDM account, navigate to <https://portal.cms.gov> and use these [step-by-step instructions](#). Remember, you must specify the **Individual Practitioner or PQIP Group Representative user role** when applying for an EIDM account. After completing the EIDM registration, you will receive an email confirming that you have been approved for an account. You can then log into the PQRS Portal and access PQIP.

IMPORTANT: If you previously had an Individual Authorized Access to the CMS Computer Services (IACS) user ID and password, you do not have to register for an EIDM account. Your IACS user ID and password can be used to log into EIDM. However, you may need to request **the Individual Practitioner or PQIP Group Representative user role**. For assistance, call the QualityNet Help Desk at 866-288-8912.

3. Launch PQIP

1. Navigate to the [QualityNet Portal](http://www.qualitynet.org/pqrs) (www.qualitynet.org/pqrs).
2. The PQRS Portal sign-in page will appear. Select the **Sign In** button.

The screenshot shows the CMS.gov QualityNet portal. At the top, it says "CMS.gov | QualityNet" and "Centers for Medicare & Medicaid Services". Below this are several sections:

- Related Links:** A list of links including CMS, Quality Improvement Resources, Measure Development, Consensus Organizations for Measure Endorsement/Approval, and Communication Support Page.
- Guest Announcement:** A notice about the confidentiality of PQR feedback reports and the availability of 2014 PQR Feedback Reports on the PV-PQRS portal.
- Guest Instructions:** A welcome message and instructions to click the "Sign In" button, along with a link to download and install Adobe Reader.
- User Guides:** A list of user guides for various PQRS tools and reports.
- PQRS Verify Report:** Instructions on how to verify a report using a TIN or NPI.
- Sign In Section:** A central area titled "Physician and Other Health Care Professionals Quality Reporting Portal" featuring a "Sign In to your Portal" button circled in red. Below it are links for "Forgot your password?" and "For assistance with new & existing EIDM accounts, review the Quick Reference Guides." There is also a notice about temporarily disabled accounts and contact information for support.

3. A warning screen will appear, describing the terms and conditions associated with Portal use. After reading the warning screen text, select **I Accept**.

- The **Welcome Page** will appear. Select the **Provider Quality Information Portal** link in the side navigation to launch PQIP.

4. Preview your 2014 Quality Measure Data

Once you launch PQIP, you can view your 2014 quality measure data as they will be publicly reported on Physician Compare later this year. A list of the [individual EP](#) and [group practice](#) quality measure data that will be publicly reporting this year is available on the [Physician Compare Initiative](#) page.

If your quality measure data will not be publicly reported this year, you will see the following message:

You will not have quality measure data published on Physician Compare this year. Only individual eligible professionals and group practices that participated in the 2014 Physician Quality Reporting System (PQRS) and submitted measures noted in the 2014 Physician Fee Schedule final rule as available for public reporting have measures to preview at this time. For more information about public reporting on Physician Compare, visit the [Physician Compare Initiative](#).

Questions?

For EIDM and PQIP registration assistance, contact the QualityNet Help Desk.

866-288-8912, TTY: 877-715-6222

qnetsupport@hcqis.org.

You can get more information about PQIP at any time by selecting the **Help link** in the header for each page to open the complete User Manual for PQIP. You can also select the **Help icons** within individual sections of each screen to launch information for that specific section.

For questions about Physician Compare, public reporting, the preview period, or measure data, contact the Physician Compare Support team.

PhysicianCompare@Westat.com
