

Open Payments Program Year 2019 Fact Sheet

Open Payments Program Year 2019

**\$10.03
Billion**

Total Dollar Value of Published Records*

In Program Year 2019, applicable manufacturers and group purchasing organizations (GPOs) reported 10.98 million records totaling \$10.03 billion in payments and ownership/ investment interests to physicians and teaching hospitals.

Payments in the three major reporting categories are:

General Payments: \$3.56 billion
 Research Payments: \$5.23 billion
 Ownership and Investment Interests: \$1.24 billion

Over the course of the Open Payments program CMS has published 76.25 million records, accounting for \$53.06 billion in payments and ownership and investment interests.

Review and Dispute Summary

Physicians and teaching hospitals are provided an opportunity to review data attributed to them.

Through the review and dispute process they may affirm records attributed to them are correct and/or dispute any records they believe to be incomplete or inaccurate. Physicians and teaching hospitals work directly with the reporting entity to resolve the dispute; CMS does not mediate disputes.

Physicians and teaching hospitals may review, affirm, or dispute the data attributed to them through the end of the calendar year in which the records are published. Open Payments Program Year 2019 data is still eligible for review through December 31, 2020.

Number of Registered Physicians*	41,295
