Open Payments System Quick Reference Guide
Identity Management System (IDM) Registration

Introduction
This guide is for:

1. Users who have not previously registered in the CMS Enterprise Portal/IDM. IDM is also used in support of other CMS programs, such as the Physician Quality Reporting System (PQRS).

   OR

2. CMS Enterprise Portal users who have not previously accessed the Open Payments System.

Participation in the Open Payments system requires users to be registered in both IDM and the Open Payments system. This two-step verification process is to prevent others from using a user’s identity fraudulently.

Prerequisites
- None

Actions
Registering in IDM and requesting access to the Open Payments system.

Step 1: IDM New User Registration (skip to Step 2 if you already have an IDM User ID)

2. Select “Open Payments” from the dropdown list on the “Select Your Application” page.

3. Agree to the Terms and Conditions of the CMS Enterprise Portal page and then select “Next” to continue. Two Terms and Conditions sections of particular importance to read are:

   - Consent to monitoring; and
   - Collection of Personal Identifiable Information (PII).

   “Consent to monitoring” means that you agree to allow CMS to monitor your activity and actions performed through CMS applications while logged into the CMS Enterprise Portal, and accessed through IDM.

“PII” is information that can be used to uniquely identify, contact, or locate a single person, or can be used with other sources to uniquely identify a single individual. Personal information collected will be used to verify your identity only.

4. Enter requested personal information on the “Register Your Information” page. Select the “Next” button. Data fields to be completed are the following:
   - Name (First, Middle, Last, Suffix)
   - Date of Birth (Month, Date, Year)
   - Is Your Address US Based (Yes/No)
   - Home Address, City, State, Zip Code
   - Email Address
   - Confirm Email Address
   - Phone Number

Take care to enter your legal name, current home address, primary phone number, and email address correctly. IDM collects personal information only to verify your identity with Experian, an external identity verification provider. If this information is not validated successfully and identity proofing fails, contact the Open Payments Help Desk at openpayments@cms.hhs.gov or 1-855-326-8366. For the TTY line, call 1-844-649-2766.

NOTE FOR INDIVIDUALS WITH FOREIGN ADDRESSES: Individuals with addresses outside of the United States can register in IDM via the online portal, but the identity proofing must be conducted manually. Once the information has been entered into the CMS Enterprise Portal, contact the Open Payments Help Desk at openpayments@cms.hhs.gov or 1-855-326-8366 or for TTY line call 1-844-649-2766 for assistance with the manual identity proofing process.

5. Create an IDM User ID and password per the guidance provided below on the “Create User ID, Password & Security Question/Answer” page. Users will be asked to select a security question and provide a security answer. Select “Next” when finished.

3. Select the “Login” button to log in.
4. You will land on the “Request Application Access” page.
5. Select Open Payments from the dropdown and select “Next”.
6. Select “Applicable Manufacturer, GPO, Physician, Non-Physician Practitioner or Teaching Hospital” from the “Role” drop-down menu, then select “Next”.
7. You will be sent to the identity verification page. Select “Next”. Agree to the terms and conditions. Select “Launch”.
8. Read the Identity Verification Overview Step #1 and select “Next”.
9. Accept the terms and conditions Step #2 and select “Next”.
10. Enter your information and select “Next”.
11. Enter a justification for being granted the role in the “Reason for Request” field and select “Submit”.
12. You will see a confirmation pop-up. Select “Ok” to continue.

Adding Multi-Factor Authentication (MFA) for Level Of Assurance (LOA) 3 Users - Optional

Adding an MFA is not required to obtain access to the Open Payments system. Users may also register the device(s) at a later time. Note that the steps for adding MFA are applicable for LOA 3 roles only.

To add Multi-Factor Authentication (MFA),

Last Modified: January 2022
1) Navigate to My Profile and select Manage MFA Devices. MFA devices include Email, Text Message Short Message Service (SMS), Interactive Voice Response (IVR), Google Authenticator, and Okta Verify.

2) Select “Register a Device”.

3) Select the device you wish to register.

4) Depending on the device you choose to register, you will be asked to provide information about that device (Phone number). Enter the required information for the device you are registering and select “Send MFA Code”.

5) Enter the code sent to your device and select “Add Device” to successfully add your MFA Device.

6) You have successfully added an MFA device to your IDM account.

**IDM Account Inactivity**
IDM will lock a user account if no activity is reported in the account for 60 or more days. When you log in after 60-days, the system will display the “Unlock My Account“ view. To unlock the account, enter the user ID and correctly answer the security question. Then enter a new password in the input fields of “New Password” and “Confirm New Password”.

IDM will deactivate a user account after 180+ days of inactivity. To reactivate your account, call the Open Payments Help Desk

**Next Steps**
- **Applicable manufacturer (AM) or applicable group purchasing organization (GPO)** users should register their entity in the Open Payments system. If an entity has already been registered, users can accept a nomination for a user role (if the user has received one), or a user can nominate themselves for a user role and then get the nomination approved by an officer. Note: Please log out from IDM and log back in to register in Open Payments.

- **For physicians (including principal investigators) or non-physician practitioners (NPP)** (including principal investigators) or teaching hospitals, the next step is to register yourself in the Open Payments system. Note: Please log out from IDM and log back in to register in Open Payments.

**Additional Resources**
All registration resources can be found on the Resources page of the CMS Open Payments website at [https://www.cms.gov/OpenPayments/About/Resources.html](https://www.cms.gov/OpenPayments/About/Resources.html).
