

Healthy Montana Kids Insurance Info

In these tough economic times, when so many people have lost their jobs and families are struggling to make ends meet, HMK (formerly CHIP and Medicaid) can help you cover the cost of health care for your children and teenagers up to age 19.

2012 HMK Income Chart <i>Annual Adjusted Gross Income (before taxes)</i> Effective April 1, 2012	
Household Size (Children and Adults)	Household Income
Family of 2	\$37,825
Family of 3	\$47,725
Family of 4	\$57,625
Family of 5	\$67,525
Family of 6	\$77,425
Family of 7	\$87,325
Family of 8	\$97,225
Some employment-related and child care deductions apply.	

Indian Health Service (IHS) is also experiencing budget cuts and at times cannot afford to refer your child out—so it is important that you enroll them in the Healthy Montana Kids (HMK) program. There are no co-payments for Indian Children.

Please contact the CHIPRA program at **338-2524** and ask for **Liz**. The staff will gladly set up a time to assist you in filling out your application online.
