Funded in part by the Indian Health services, Centers for Disease Control, SAMHSA, AZ Department of Health Services, Private Organizations, Federal, State and County Governments, and Arizona Tribal Communities. Any publication produced under this funding that advocates a particular point of view, should state that the views and opinions expressed are those of the grantee and may not reflect the views of the sponsoring organizations. Information may be used for the purposes of advertising the grant project.

The content of this publication does not necessarily reflect the view or policies of the Department of Health and Human Services, nor does mention of trade names, commercial products, or organizations imply endorsement by the U.S. Government.
