

Medicaid Tribal Consultation Process

May, 2010

DHS will designate a staff person in the Medicaid Director's office to act as a liaison to the Tribes regarding consultation. Tribes will be provided contact information for that person.

- The liaison will be informed about all contemplated state plan amendments and waiver requests, renewals, or amendments.
- The liaison will send a written notification to Tribal Chairs, Tribal Health Directors, and Tribal Social Services Directors of all state plan amendments and waiver requests, renewals, or amendments.
- Tribal staff will keep the liaison updated regarding any change in the Tribal Chair, Tribal Health Director, or Tribal Social Services Director, or their contact information.
- The notice will include a brief description of the proposal, its likely impact on Indian people or Tribes, and a process and timelines for comment. At the request of a Tribe, the liaison will send more information about any proposal.
- Whenever possible, the notice will be sent at least 60 days prior to the anticipated submission date. When a 60-day notice is not possible, the longest practicable notice will be provided.
- The liaison will arrange for appropriate DHS policy staff to attend the next Quarterly Tribal Health Directors meeting to receive input from Tribes and to answer questions.
- When waiting for the next Tribal Health Directors meeting is inappropriate, or at the request of a Tribe, the liaison will arrange for consultation via a separate meeting, a conference call, or other mechanism.
- The liaison will acknowledge all comments received from Tribes. Acknowledgement will be in the same format as the comment, e.g. email or regular mail.
- Liaison will forward all comments received from Tribes to appropriate State policy staff for their response.
- Liaison will be responsible for insuring that all comments receive responses from the State.
- When a Tribe has requested changes to a proposed state plan amendment or waiver request, renewal, or amendment, the liaison will report whether the change is included in the submission, or why it was not included.
- Liaison will inform Tribes when the State's waiver or state plan changes are approved or denied by CMS, and will include CMS' rationale for denials.

- For each state plan or waiver change, the liaison will maintain a record of the notification process; the consultation process, including written correspondence from Tribes and notes of meetings or other discussions with Tribes; and the outcome of the process.
