

A NEW PATH TO HEALTH CARE

Free or low-cost health insurance
for more Native families

For the first time, many more Native families can experience the harmony and peace of mind that comes with better health care.

New free or low-cost health insurance options can expand the coverage you get from Indian Health Service, tribal, or urban Indian health programs. You won't be turned down due to diabetes, heart disease, cancer, or other medical conditions. ***Enrolling is private and easy.***
