

The CMS All Tribes calls are technical listening sessions to solicit input from Tribes on CMS policy issues impacting AI/AN beneficiaries & the operation of the Indian health programs. CMS subject matter experts present information on implementation of or changes to CMS legislative and regulatory provisions with an opportunity for tribal participants to provide comments and ask questions.

**CMS All Tribes' Call**  
**May 13, 2011**

The May 13, 2011 All Tribes' Call was held to obtain tribal input regarding how eligible professionals within tribal programs can meet the eligibility criteria for purposes of the Medicaid EHR program.

After careful consideration of the information and concerns expressed on the May 13th call, CMS modified and updated the Frequently Asked Question (FAQ). The FAQ can be found on the CMS website at <http://www.cms.gov/EHRIncentivePrograms/>
