

American Hospital Association Terms & Conditions

National Uniform Billing Code UB-04 Specifications Manual

The American Hospital Association (AHA) has granted to the Centers for Medicare & Medicaid Services (CMS or the agency) and its authorized agents a limited, royalty-free permission to reproduce portions of the National Uniform Billing Code (NUBC) UB-04 Data Specifications Manual and a limited license to use NUBC UB-04 Specifications Data in CMS publications, both print and electronic media, per the Terms and Conditions limitations. CMS may use the Licensed Data and Manual for training and educational purposes, claims review and validation, and hospital billing analysis along with other CMS Agency purposes only which shall be limited to responding to inquiries related to proper coding.

This AHA NUBC UB-04 permission agreement and data license restrict the agency's use of NUBC UB-04 to Medicare, Medicaid, and other CMS administered programs. Any use not authorized within the data licensing agreement is prohibited.

Required Notice

The AHA has granted CMS permission to reproduce portions of the NUBC UB-04 Data Specifications Manual and Specifications Data. Please follow the below guidance on the required copyright notice, appropriate copyright year, and required disclaimer language.

Copyright Year Guideline

The AHA copyright year is always the same year as the NUBC UB-04 Data Specifications Manual.

Copyright Notice

Any reproduced portion of the NUBC UB-04 manual information or data codes will include the following copyright notice with the appropriate copyright year:

Copyright © (Insert appropriate year), the American Hospital Association, Chicago, Illinois. Reproduced with permission. No portion of the AHA copyrighted materials contained within this publication may be copied without the express written consent of the AHA. AHA copyrighted materials including the UB-04 codes and descriptions may not be removed, copied, or utilized within any software, product, service, solution or derivative work without the written consent of the AHA. If an entity wishes to utilize any AHA materials, please contact the AHA at ub04@aha.org.

Making copies or utilizing the content of the UB-04 Manual, including the codes and/or descriptions, for internal purposes, resale and/or to be used in any product or publication; creating any modified or derivative work of the UB-04 Manual and/or codes and descriptions; and/or making any commercial use of UB-04 Manual or any portion thereof, including the codes and/or descriptions, is only authorized with an express license from the American Hospital Association.

To license the electronic data file of UB-04 Data Specifications, contact ub04@aha.org or visit <https://www.nubc.org/ub-04-license-application> .

Disclaimer

Each material containing reprinted NUBC UB-04 manual information or data codes will include the following disclaimer in a prominent manner acceptable to the AHA:

The American Hospital Association (the "AHA") has not reviewed, and is not responsible for, the completeness or accuracy of any information contained in this material, nor was the AHA or any of its affiliates, involved in the preparation of this material, or the analysis of information provided in the material. The views and/or positions presented in the material do not necessarily represent the views of the AHA. CMS and its products and services are not endorsed by the AHA or any of its affiliates.

Definitions

CMS End-User

A person using CMS developed electronic media or CMS developed publication.

CMS End-Product

CMS developed electronic media, or a CMS developed publication.

CMS User

CMS staff or CMS authorized agent.

NUBC UB-04 Data

Commercial technical data and or computer databases and or commercial computer software and or commercial computer software documentation developed by the AHA.

Publications

Whether printed, displayed on the web, or included in electronic media are defined as follows:

- Local Medical Review Policies (LMRPs)
- Bulletins and Newsletters
- Program Memoranda and Billing Instructions
- Coverage and Coding Policies
- Program Integrity Bulletins and Information
- Educational Training Materials, including Computer-Based Training Modules
- Special mailings requiring expedited handling
- Fee Schedules including Ambulatory Surgical Center Payment Group

Point-and-Click License

An agreement that appears on a computer screen or webpage and includes a computer software mechanism that requires the CMS End-User to accept the license's terms and conditions prior to accessing the content contained within the CMS developed electronic media or publication. See [AHA Exhibit 3 – NUBC UB-04 End-User Point and Click](#)

Shrink-Wrap License

An agreement which requires the CMS End-User to break a seal such as "to break a paper label" or other mechanism to acknowledge acceptance of the licensing terms and conditions.

Terms & Conditions

Reproduction of Text

The reproduction of the UB-04 Manual will follow the text exactly.

Headings, Illustrations, or Captions

No changes will be made in headings, illustrations, or captions.

No Deletions

No deletions will be made about without specific permission.

Reproduction Prohibitions and Limitations

The CMS user will not reproduce the entire NUBC UB-04 Specifications Manual, an entire chapter of the Specifications Manual, or any excerpt in excess of 10% of an entire chapter.

Copyright Notice

Any reproduced portion of the Specifications Manual will include the following copyright notice:

Copyright © **(Insert appropriate year)**, the American Hospital Association, Chicago, Illinois. Reproduced with permission. No portion of the AHA copyrighted materials contained within this publication may be copied without the express written consent of the AHA. AHA copyrighted materials including the UB-04 codes and descriptions may not be removed, copied, or utilized within any software, product, service, solution, or derivative work without the written consent of the AHA. If an entity wishes to utilize any AHA materials, please contact the AHA at ub04@aha.org

Making copies or utilizing the content of the UB-04 Manual, including the codes and/or descriptions, for internal purposes, resale and/or to be used in any product or publication; creating any modified or derivative work of the UB-04 Manual and/or codes and descriptions; and/or making any commercial use of UB-04 Manual or any portion thereof, including the codes and/or descriptions, is only authorized with an express license from the American Hospital Association.

To license the electronic data file of UB-04 Data Specifications, contact ub04@aha.org or visit <https://www.nubc.org/ub-04-license-application> See [AHA Exhibit 1 – NUBC UB-04 Copyright Notice](#)

AHA Disclaimer

Each document containing any portion of the Specifications Manual will include the following disclaimer in a prominent manner acceptable to the AHA:

The American Hospital Association ("the AHA") has not reviewed, and is not responsible for, the completeness or accuracy of any information contained in this material, nor was the AHA or any of its affiliates, involved in the preparation of this material, or the analysis of information provided in the material. The views and/or positions presented in the material do not necessarily represent the views of the AHA. CMS and its products and services are not endorsed by the AHA or any of its affiliates.

See [AHA Exhibit 2 – NUBC UB-04 Disclaimer Language](#)

Use Authorized

CMS may use the Licensed Data and Manual for training and educational purposes, claims review and validation, and hospital billing analysis along with other CMS Agency purposes only which shall be limited to responding to inquiries related to proper coding

NUBC UB-04 Specifications Data - Any Use Not Authorized is Prohibited

Prohibitions include:

- Making copies of the Specifications Data for resale or licensing
- Transferring copies of the Specifications Data to any party not bound by the CMS-AHA data license agreement
- Creating modified or derivative works of the Specifications Data
- Making any commercial use of the Specifications Data

Use of the Specifications Data within the U.S.

The CMS user may use NUBC UB-04 data in programs administered by the Centers for Medicare & Medicaid Services within the U.S. and its territories.

Obscuring AHA Copyright

The CMS user shall not remove or obscure any AHA copyright notice or other proprietary rights notices included in AHA materials.

Rights Restrictions of DFAR

The CMS user acknowledges that the Federal Acquisition Regulations (DFAR) restricts the U.S. Government rights to use, modify, reproduce, release, perform, display, or disclose these technical data or computer data bases and or computer software and or computer software documentation.

Disclaimer of Responsibility

The CMS user acknowledges the sole responsibility for NUBC UB- 04 Specifications Data is with CMS or its Medicare and Medicaid authorized agents. No endorsement by the AHA is intended or implied. The AHA expressly disclaims responsibility for any consequences or liability attributable to or related to any use, non- use, or interpretation of information contained or not contained in this product.

Questions about the Data License

The CMS user will submit related inquiries to the [CMS CPT CDT NUBC Mailbox](#)

Submitting the New Use Application

- The distribution of a CMS End-Product containing NUBC UB-04 codes, nomenclature, and descriptors that are unrelated to CMS programs requires a separate license agreement with the AHA.
- If your code usage is outside of an existing agreement, contact the association to discuss a new use agreement

CMS User's Acceptance of the AHA Terms and Conditions

If you are reviewing the above terms and conditions as a part of the AHA Point-and-Click Acceptance Agreement, use the close button to return to acceptance agreement. Next, select the accept button to generate an email with the hyperlink to the NUBC UB-04 electronic files.
