Activity Planners/Developers/Instructors

Dr. Mark Pilley, MD, and Medical Director for StrategicHealthSolutions, LLC (SHS), has over 16 years of experience in Medicare, including the development of Local Coverage Determinations (LCDs) for Medicare benefit coverage guidelines and medical policy development for Medicare claim determinations and audits. As the SHS Medical Director, Dr. Pilley, has performed medical review audits and monitored the consistency and accuracy of medical review determinations. He has overseen quality assurance activities and provided medical expertise on benefit integrity matters. With his subject matter expertise, Dr. Pilley has supported Medicaid Provider Outreach and Education and participated as a Co-Lead on the CMS esMD and Author of Record (AoR) Workgroups for implementation of electronic requests and receipt of medical documentation related to Medicare beneficiary services.

Rosalind Abankwah, PharmD, has been employed by CMS for over 10 years. She is currently working as the Deputy Director of the Division of Plan Oversight and Accountability in the Center for Program Integrity. Previously she worked in the Center for Medicare, Medicare Drug Benefit Group as a pharmacist responsible for the review of Part D plan benefit packages.

CAPT. Michael Forman, BS, has been employed by the USPHS from August 1996 to present and currently he has been detailed to CMS since July 2008 - to present as a Senior Health Insurance Specialist. From August 1996 -June 2008, he provided healthcare on Indian Reservations throughout MT, OR, ND, SD, NE and IA.

Emily Norment, BA, has been employed by the Centers for Medicare & Medicaid Services (CMS) from 2002 to present. In this capacity she has developed and implemented various Standard Operating Procedures, Requests for Contract, Medicare Learning Network® outreach and training materials for health care providers, and recently began providing assistance on continuing education (CE) and assisting components with the development of CE approved training activities.

Elizabeth Uraga, JD, has been employed by StrategicHealthSolutions, LLC (Strategic), a CMS contractor that provides education for health care professionals, from March 2010. She has been Program Manager for the Medicare Outreach and Quality Assurance contract since February 2013. Previous to her employment with Strategic, she was employed by a Medicare Administrative Contractor (MAC) in the Provider Outreach and Education department.
