### Disclosure/Commercial Support

No one in a position to control the content of this activity has anything to disclose. All planners and developers of this activity have signed a disclosure statement indicating that they have no relevant financial interests. This activity was developed without commercial support.

### Activity Planners/Developers/Instructors

**Developer/Presenter**-Ing-Jye Cheng is the Acting Director of the Division of Value-Based Purchasing in the Center for Medicare, which is responsible for the Medicare Physician Value Modifier program and efficiency domain of the hospital value-based purchasing program. She joined CMS in 2009 as the Deputy Director of Acute Care, which oversees inpatient hospital fee-for-service payment rules and regulations. Before that, she worked at a state hospital association and in management consulting. She earned a Master's in Public Policy from the Kennedy School of Government at Harvard University in 1999 and a Bachelor's degree from American University in 1996.

Ing-Jye Cheng has disclosed that she is a consultant for Teleflex, Inc. She is also an employee of University of Maryland, Mercy Medical Center, and University Emergency Physicians.

**Developer/Presenter**-LeTonya Smith, MSN, CRNP is a health insurance specialist with the Centers for Medicare and Medicaid Services. She presently works in the Division of Value-Based Payment on the Physician Feedback/Value-based Payment Modifier Program, a confidential feedback program providing performance data on quality and costs of care to physicians that will evolve into a value-based payment modifier for the Physician Fee schedule. She is a licensed Family Nurse Practitioner since 1998 and presently holds a position in an internal medicine practice. Prior to her employment with CMS in January 2011, Mrs. Smith practiced in various clinical settings including Internal Medicine, Pain Management, and Diabetes Management and Endocrinology.

LeTonya Smith has nothing to disclose.

**Developer/Presenter**-Sabrina Ahmed, MHS is a Health Insurance Specialist at the Centers for Medicare and Medicaid Services (CMS). She presently works in the Division of Value Based Payment on the Physician Feedback and Value-based Payment Modifier Programs. She has worked on various Medicare initiatives for Medicare Fee-For-Service and Medicare Advantage beneficiaries since July 2002. Prior to her work at CMS, she completed an MHS program at the Johns Hopkins School of Public Health.

Sabrina Ahmed has nothing to disclose.
