

Association Approval for Medicare Learning Network® Web-Based Training (WBT) Credits

Many professional associations offer continuing education credit for successful completion of CMS' Medicare Learning Network® courses that can be used towards keeping a license or certification current.

If the association you belong to is not on this list, you may contact your association to see if they are interested in joining this listing with the Medicare Learning Network® or if they accept outside credit sources. If they are interested in joining this list, the association should email CMSCE@cms.hhs.gov.

Please click on the association below to access detailed information about what you need to do to receive credit for a Medicare Learning Network® (MLN) web-based training (WBT) course for your professional association/organization:

American Association of Professional Coders (AAPC)

For more information, visit the AAPC education page at <http://www.aapc.com/medical-coding-education/index.aspx> on the Internet. The following shows the length of the WBT in relation to the amount of CEUs AAPC will award as well as the corresponding index number:

- Less than 30 minutes: .5 CEU, Index# CMS06140727A
- Anything greater than 30 minutes and up to 60 minutes: 1 CEU, Index# CMS06140728A

- Anything greater than 60 minutes and up to 90 minutes: 1.5 CEU, Index# CMS06140729A
- Anything greater than 90 minutes and up to 120 minutes: 2 CEU, Index# CMS06140730A

When submitting a CMS completed web-based training course to AAPC as part of your recertification, please retain a copy of your CMS certificate and a copy of the course description that contains the AAPC index number and number of AAPC CEUs. The AAPC will request copies of these if you are selected for other verification of the CEUs listed on your renewal form. **Any certificate (including Certificate of Completion) for an MLN WBT course will be accepted. You do not need a CEU certificate.**

CMS has been reviewed and approved by the International Association for Continuing Education and Training (IACET). IACET calculated CEUs as 1 CEU = 10 hours of learning time so a course that is one hour of learning time will be 0.1 CEUs. AAPC has reviewed all of our web-based training courses and awarded AAPC CEUs for the following courses with a post-test score of 70% or higher:
