

CENTERS FOR MEDICARE & MEDICAID SERVICES

CONTINUING EDUCATION (CMSCE) PROGRAM

INSTRUCTIONS FOR PARTICIPATION AND CONTINUING EDUCATION CREDIT

Follow these steps to earn CE credit:

1. Read the target audience, learning objectives, and author disclosures.
2. Successful completion of this course is required for continuing education credit and requires completion of:
 - a. All activity lessons
 - b. Pre assessment (if applicable),
 - c. Post assessment
 - d. Activity evaluation
3. To receive Continuing Education credit, you must meet the minimum score on the post-assessment as specified on the course details page. You must also submit a completed evaluation to receive your certificate.
If you do not meet the minimum score, you must return to the course menu, review the course content, and pass the post-assessment in order to receive a continuing education certificate or certificate of completion.
4. You will then be prompted on how to view/print your certificate. You may print the certificate but you cannot alter it.

For questions or additional information, please contact CMSCE@cms.hhs.gov.
