

Physician Volunteers Needed to Pilot Test Training Courses

CMS is looking for volunteer physicians to pilot test our newest web-based training course, "Adult Immunizations," which educates users on the adult immunizations covered under Medicare, including coverage, billing, and reimbursement. If you are interested in pilot testing this course, please send us an e-mail that includes the contact information requested below to CMS mln@cms.hhs.gov with a subject line of 'Pilot Tester'.

Your help is greatly appreciated!
