Provider Action Needed

This article is based on Change Request (CR) 4007, which informs your Fiscal Intermediary (FI) that the July 2005 Outpatient Prospective Payment System Outpatient Code Editor (OPPS OCE) specifications have been updated with new additions, deletions, and changes.

Background

This article is based on information contained in Change Request (CR) 4007, which provides the revised OPSS OCE instructions and specifications that will be utilized, effective October 1, 2005, under the OPSS for hospital outpatient departments, Community Mental Health Centers (CMHCs), and for limited services as defined below when provided in a:

- Comprehensive Outpatient Rehabilitation Facility (CORF);
- Home Health Agency (HHA) not under the Home Health Prospective Payment System; or to a
- Hospice patient for the treatment of a non-terminal illness.

Full details about Version 6.3 of the OPSS OCE are contained in CR4007 and will not be repeated in this article, especially since many of the details are not changing, and providers paid under the OPSS are likely to be familiar with these details.
