Note: This article was updated on October 24, 2012, to reflect current Web addresses. This article was previously revised on August 25, 2006, by adding this statement directing readers to view article MM5060 at <http://www.cms.gov/outreach-and-education/medicare-learning-network-mln/mlnmattersarticles/downloads/MM5060.pdf> for more current information on the effective dates for using Form CMS-1500 (08/05). The dates in the MM5060 article supersede the dates in this article and MM5060 conforms with CR5060, which is available at <http://www.cms.gov/Regulations-and-Guidance/Guidance/Transmittals/downloads/R1010CP.pdf> on the CMS website. All other information remains unchanged.

Revised CMS-1500 Claim Form

Provider Types Affected

Physicians, providers, and suppliers who are excluded from the mandatory electronic claims submission requirements and submit claims to Medicare carriers using the CMS-1500 paper claim form

Important Points to Remember

CR4293 describes the claim form **CMS-1500 (12-90)** that is being revised to accommodate the reporting of the National Provider Identifier (NPI) and will then be named **CMS-1500 (08-05)**. The following timeline outlines the schedule for using the revised CMS-1500 claim form:

- October 1, 2006: Health plans, clearinghouses, and other information support vendors should be ready to handle and accept the revised CMS-1500 (08/05) claim form.
- October 1, 2006 – January 31, 2007: Providers can use either the current CMS-1500 (12/90) version or the revised CMS-1500 (08/05) version of the claim form.
- February 1, 2007: The current CMS-1500 (12/90) version of the claim form is discontinued; only the revised CMS-1500 (08/05) form is to be used. All rebilling of claims should use the revised CMS-1500 (08/05) form from this date forward, even though earlier submissions may have been on the current CMS-1500 (12/90) claim form.

Background

The Form CMS-1500 form answers the needs of many health insurers. It is the basic form prescribed by the Centers for Medicare & Medicaid Services (CMS) for the Medicare program and is accepted only from physicians and suppliers that are excluded from the mandatory electronic claims submission requirements set forth in the Administrative Simplification Compliance Act, Pub.L. 107-105 (ASCA), and the implementing regulation at 42 CFR 424.32.

The CMS-1500 (12-90) claim form is being revised to accommodate the reporting of the National Provider Identifier (NPI). The intent of the new form is to best accommodate the NPI with minimal changes to the current claim form. The CMS-1500 (08-05) version will be effective October 1, 2006, but will not be mandated for use until February 1, 2007. Therefore, there will be a period when the current and the revised forms will both be acceptable.

The change log that lists the various changes made to the CMS-1500 (08-05) version can be viewed at the National Uniform Claim Committee (NUCC) website at http://www.nucc.org/images/stories/PDF/change_log.pdf on the Internet.
