This MLN Matters® Article is intended for physicians, other providers, and suppliers who submit claims to Medicare Administrative Contractors (MACs) for services provided to Medicare beneficiaries.

This article is based on Change Request (CR) 9152 which amends payment files that were previously issued to your MAC based upon the CY2015 MPFS Final Rule.

This article may contain references or links to statutes, regulations, or other policy materials. The information provided is only intended to be a general summary. It is not intended to take the place of either the written law or regulations. We encourage readers to review the specific statutes, regulations and other interpretive materials for a full and accurate statement of their contents. Affected providers should be aware that MACs will only adjust claims brought to their attention. Please make sure your billing staff is aware of these changes.

Background

The Social Security Act (Section 1848(c)(4); see http://www.ssa.gov/OP_Home/ssact/title18/1848.htm on the Internet) authorizes the Centers for Medicare & Medicaid Services (CMS) to establish ancillary policies necessary to implement relative values for physicians' services.

Payment files were previously issued to your MAC based on the CY2015 MPFS Final Rule, which was published in the Federal Register and effective for services furnished between January 1, 2015, and December 31, 2015 (See <http://www.gpo.gov/fdsys/pkg/FR-2014-11-13/pdf/2014-26183.pdf> on the Internet).

Quarterly Update to the MPFSDB July CY 2015 Update

The Medicare Access and CHIP Reauthorization Act of 2015 allowed the zero percent update that would have ended on March 31, 2015, to continue through to June 30, 2015, and allows for a 0.5 percent from July 1, 2015, to December 31, 2015. It also extends the physician work geographic practice cost index (GPCI) floor of 1.0, and the therapy cap exceptions process, through December 2017.

CR9152 provides files for MPFS changes that are effective for dates of service January 1, 2015, through June 30, 2015, at the zero percent update, and files for changes effective for dates of service on or after July 1, 2015, at the 0.5 percent rate.

The attachment in CR9152 lists new codes Q5101, Q9976, Q9977, Q9978, 0392T, 0393T, 90620, 90621, and 90697 with the applicable "HCPCS Effective Date" for each code. Tables 1-3 below also list those codes.

In accordance with [Chapter 23](#), Section 30.1 of the "Medicare Claims Processing Manual", MACs will give providers 30-day notices before implementing the changes identified in CR 9152.

Your MAC will not search their files to either retract payment for claims already paid or to retroactively pay claims. However, they will adjust claims brought to their attention.
