CAUTION – What You Need to Know

During the 6-month temporary moratoria, initial provider enrollment applications and change of information applications to add additional practice locations, received from home health agencies, home health agency sub-units, and Part B ground ambulance suppliers in the moratoria counties will be denied. Application fees that are paid for applications that are denied due to the temporary moratoria will be refunded.

GO – What You Need to Do

Effective January 29, 2016, home health agencies, home health agency sub-units, and part B ground ambulance suppliers should not submit initial enrollment applications or change of information applications to add additional practice locations until the 6-month moratoria has expired. CMS will announce in the Federal Register when the moratorium has been lifted, extended, or changed.

Background

In accordance with [42 CFR §424.570\(c\)](#), the Centers for Medicare & Medicaid Services (CMS) may impose a moratorium on the enrollment of new Medicare providers and suppliers of a specific type or the establishment of new practice locations in a particular geographic area.

On January 29, 2016, CMS announced, in a Federal Register notice (<http://federalregister.gov/a/2016-01835>), the extension of temporary moratoria on the enrollment of new home health agencies, home health agency sub-units and part B ambulance suppliers in designated geographic locations.

The moratoria initially became effective on July 30, 2013, and the implementation was announced in the Federal Register which may be accessed on the internet at: <https://federalregister.gov/a/2013-18394>. The moratoria were expanded on January 30, 2014, and the expansion was announced in the Federal Register which may be accessed at: <https://federalregister.gov/a/2014-02166>.

Moratoria Extension

Effective January 29, 2016, the temporary moratorium on new home health agencies and home health agency sub-units is being extended for an additional 6 months in the areas stated in Table 1, below.

Initial provider enrollment applications and change of information applications to add additional practice locations received from home health agencies, home health agency sub-units, and Part B ground ambulance suppliers in the above listed counties will be denied in accordance with 42 CFR §424.570(c). Application fees that are paid for applications that are denied due to the temporary moratoria will be refunded.

Note: Home health agencies, home health agency sub-units, and Part B ground ambulance suppliers are afforded appeal rights. However, the scope of review will be limited to whether the temporary moratorium applies to the provider or supplier appealing the denial. CMS' basis for imposing a temporary moratorium is not subject to review.
