

News Flash – Time is running out for suppliers of durable medical equipment, prosthetics, orthotics and supplies (DMEPOS) who bill Medicare under Part B to obtain accreditation by the **September 30, 2009 deadline** or risk having their Medicare Part B billing privileges revoked on October 1, 2009. While the accreditation process takes on average 6-7 months to complete, the process could take as long as 9 months to complete. Accordingly, DMEPOS suppliers should contact an accreditation organization right away to obtain information about the accreditation process and submit an application. Further information on the DMEPOS accreditation requirements along with a list of the accreditation organizations and those professionals and other persons exempted from accreditation may be found at <http://www.cms.gov/Medicare/Provider-Enrollment-and-Certification/MedicareProviderSupEnroll/index.html> on the CMS website.
