Provider Action Needed

This is a reminder for physicians to take note of the quarterly updates to the coding initiatives. The next round of CCI edits will be effective on July 1, 2005. Physicians may view the current CCI edits and the current Mutually Exclusive Code (MEC) edits on the Centers for Medicare & Medicaid (CMS) website at <http://www.cms.hhs.gov/NationalCorrectCodInitEd/> on the CMS website.

The web site will be updated with the Version 11.2 edits as soon as they are effective.

Background

The National Correct Coding Initiative developed by CMS helps promote national correct coding methodologies and controls improper coding. The coding policies developed are based on coding conventions defined in the American Medical Association's Current Procedural Terminology (CPT) manual, national and local policies and edits, coding guidelines developed by national societies, analysis of standard medical and surgical practice, and review of current coding practice.

The latest package of CCI edits, Version 11.2, is effective on July 1, 2005. This version will include all previous versions and updates from January 1, 1996, to the
