New Health Professional Shortage Area (HPSA) Modifier

Note: This article was updated on February 12, 2013, to reflect current Web addresses. All other information remains unchanged.

Provider Types Affected

Physicians and critical access hospitals (which must be located in an HPSA) that provide services in health professional shortage areas and bill Medicare carriers and intermediaries for those services

Provider Action Needed

STOP – Impact to You

For dates of service on or after January 1, 2006, a new modifier, **AQ**, replaces the two existing modifiers, **QB** and **QU**, for physician services provided in HPSAs.

CAUTION – What You Need to Know

Make certain that all HPSA services claims filed for dates of service on or after January 1, 2006 and where a HPSA modifier is required, use the correct **AQ** modifier. There will no longer be a distinction between physicians providing HPSA services in a rural area (**QB**) and physicians providing services in an urban HPSA (**QU**).

GO – What You Need to Do

Background

The two modifiers, QB and QU, currently used on claims qualifying for the HPSA bonus payments, will be deleted on January 1, 2006 and **one new modifier, AQ, created, for HPSA**. Claims with dates of service prior to January 1, 2006 must continue to use the current modifiers QB and QU.

Thus, for services rendered in zip code areas: 1) that do not fall within a designated full county HPSA; 2) are not considered to fall within the county based on a determination of dominance made by the United States Postal Service; or 3) are partially within a non-full county HPSA, the physician or CAH must still submit a QB or QU modifier to receive payment **for claims with dates of service prior to January 1, 2006**.

Effective for similar claims with dates of service on or after January 1, 2006, the modifier AQ,
